- Communication
- Multi-tasking

About Me

Aspiring and enthusiastic front-end developer with a robust academic background in computer applications and hands-on experience through the MERN stack certification course. Proficient in HTML, CSS, JavaScript, and React.js with a keen eye for creating aesthetically pleasing and user-friendly web applications. Fresh out of Manipal University Jaipur, I'm eager to apply my skills and contribute to dynamic projects. I also have a strong passion for photography and editing, bringing a unique blend of technical and creative abilities to my work.

Projects

To-Do Application   github.com/Jaisinghbhati/ToDo-App
Technologies: React.js, JavaScript, Tailwind CSS

Developed a robust To-Do application to help users manage their tasks efficiently.
Features include task creation, deletion, and completion status tracking.

Sticky Note Application github.com/Jaisinghbhati/StikcyNotes-App
Technologies: React.js, JavaScript, Tailwind CSS
Created a Sticky Note app that allows users to jot down and organize their thoughts and reminders.

Designed a drag-and-drop interface, enhancing the user's ability to arrange notes freely on the screen.

Portfolio Website   https://portfoliojai.netlify.app/
Technologies: React.js, JavaScript, Tailwind CSS

Designed and developed a personal portfolio website to showcase my projects, skills, and photography work, its a Single Page Applicaiton S.P.A

Focused on creating a clean and modern design, using Tailwind CSS for responsive layout and style consistency.

Weather Application github.com/Jaisinghbhati/Weather-App
Technologies: React.js, JavaScript, Tailwind CSS, OpenWeather API

Designed and developed a personal portfolio website to showcase my projects, skills, and photography work

Focused on creating a clean and modern design, using Tailwind CSS for responsive layout and style consistency

Personal Interests
Enthusiast of modern web design trends and exploring new technologies. ⬚ Passionate about photography and photo editing, constantly experimenting with new styles and techniques.

Enjoys traveling, discovering new places, and capturing the essence of different cultures through photography
